

PLEASE read this from a very concerned and well informed citizen.

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is not only wrong, it is completely against regulations.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. This is exactly against public interest, and is setting a very scary precedent.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. I am very concerned for our future.
